S.A.C. PRESIDENT

TO THE STUDENTS

This is a list of the things we hoped to put on for the students during the year 1976-77:

Turtle racing in the Pampas, Safari in Kenya, Scuba diving in the Bahamas, a trip to Le Mans for Hot-Rodders, Tree conting in Norway for Horticulture, a trip to the culinary Olympics for cooks, Toronto C.N. Tower for Electronics, a cruise on the new Q.E. 2 for Tourism, Sydney Harbour Bridge for Construction, Caribe New Hilton for Hotel people, Boeing Factory for Mechanical,
.....BUT.....

Unfortunately due to the lack of support and time we won't be able to manage this, but we intend to provide a good time for everyone.

But seriously folks; I realize that beer is cheaper by the dozen and I think it's my job to sell you on the idea of a student council and what our potential is.

So come out to the sports, events, clubs, carnivals and pubs...We have a blood donor clinic in the near future and I hope to see a lot of bleeders turn up. We have to try to beat our last record in the past year----besides; who needs blood during school anyway?

We will be putting up posters, advertising is the paper, and broadcasting over the radio and p.a. systems. So remember the more support we get from you the better we all are.

If anyone has any further inquiries I can be reached at my office between 9:00 A.M. till 5:00 P.M. If I'm not there personally there will be someone there to answer your inquiries. Our office number is 735-2311 or ext. 323.

BEST OF LUCK

Adam Macsai

I would like to extend a sincere welcome to all new students coming to Niagara College in the Fall of 1976.

Our goal is to make your stay at the College as productive as possible. A number of orientation activities are being planned by the Student Administrative Council to help you adjust to College life. In addition to your academic studies, there will be opportunities to engage in athletic, recreational and social activities. There are also a number of clubs on campus and in the satellite centres that cater to program-related interests.

I urge you to support your Student Council and the various College activities that interest you, in addition to applying yourself to your academic studies. Only in this way can your educational experience be a well-rounded one.

See you around!

A.S. Manera,
President.

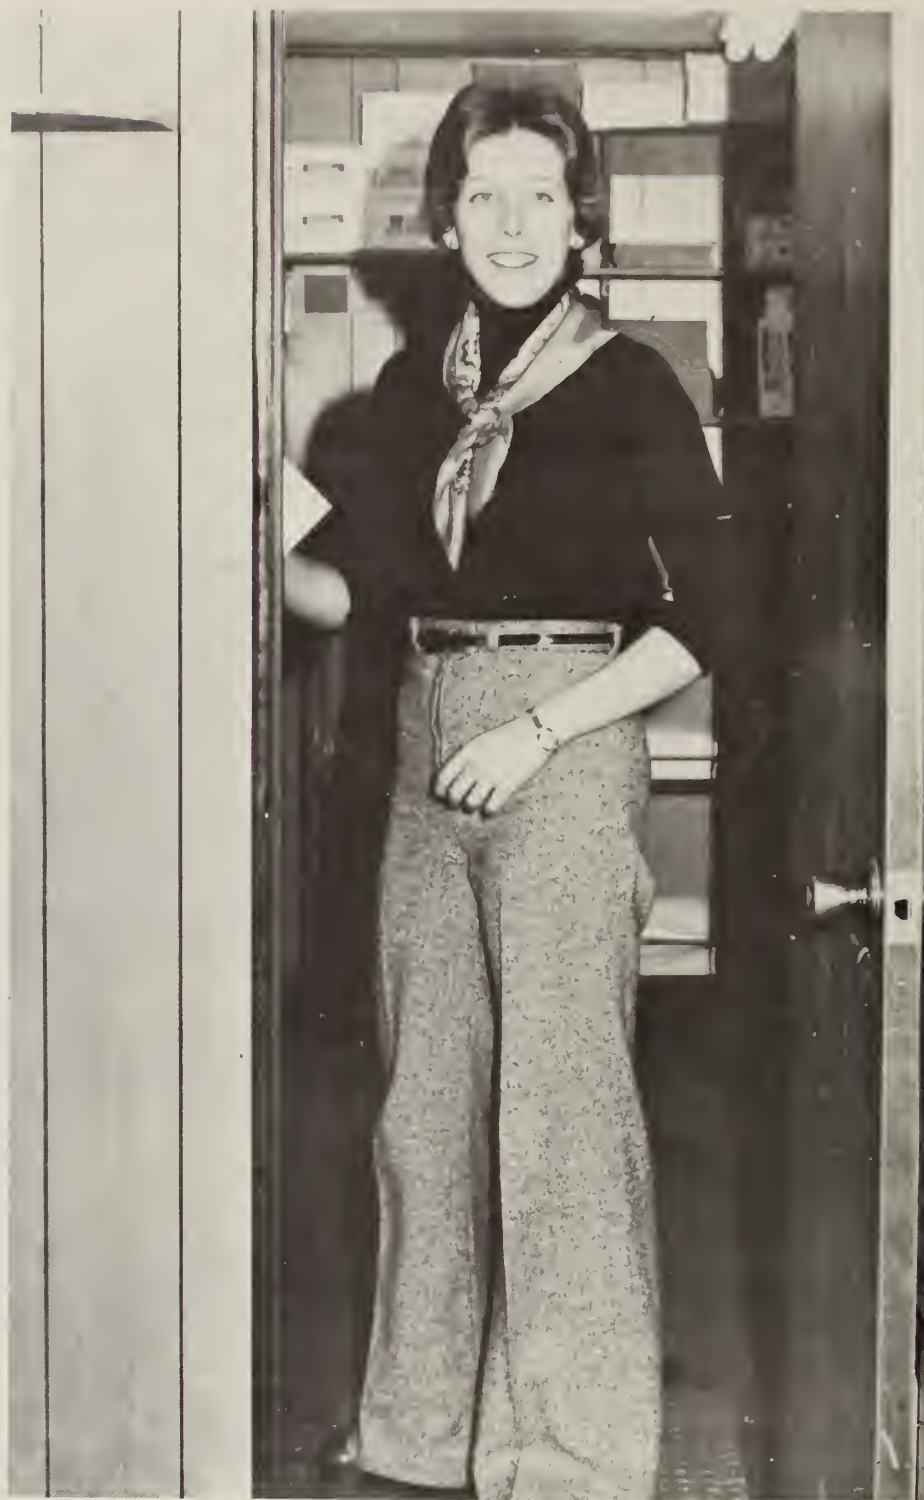

Niagara College has tried to create an environment where you can acquire both the skills to ensure a productive vocational life and programs and services to assist in your personal growth and development. To reflect this, all areas of student services such as counselling, placement, health, awards and athletics have an open door policy and welcome your participation. We believe your stay with us will be a much richer experience if you involve us in helping you achieve your personal goals.

Get involved at Niagara College! It is not only your right, but your responsibility to support student activities and to know what services are available to you. Students are represented on many College Committees and a student representative also attends meetings of the Board of Governors.

We look forward to working with you in the coming academic year and wish you every possible success.

A.S. About
Director of Student Services

Debbie Cole, V.P. of Finance, S.A.C.

The \$35.00 you pay, is a student activity fee, therefore if you don't get involved, you're not using your own money. We hope this year to plan enough events and activities that will suit every student at Niagara.

It my job to see that whatever money we have, it is spent wisely. It is also part of my job to inform you the students periodically of our financial position and give reasons for any deficit situations.

Have a good year and remember we are the STUDENT administrative council - here for your benefit.

EXECUTIVE VICE-PRESIDENT

Guido Rapone

Is vested with all the powers and shall perform all the duties of the President in the absence or disability or refusal to act of the President. He shall succeed the President in the event that the office of President becomes vacant during the term. He shall be an ex-officio member on Commissions, Committees and Directorates.

Niagara College is your college for the next couple of years. It's your turn to get involved. The college day does not end at 4:30 and Friday is not the end of the week.

Niagara College is full of life, stimulating, provocative, free flowing, relaxing, and exciting to be around. You can make this place exactly what you want it to be. You can give it rhythm and you can make it die. Get involved, turn people on to the clubs, to sports, to rallies, to the films, to the people. Generate spirit at Niagara, its all you want it to be. Let things happen here, don't wait for them to happen. Put yourself into Niagara, don't watch as others do it.

Niagara College is a unique place, it has a lot of potential for growth -- you have the ideas and mobility to carry it on to better things. Support your college, and let yourself experience college life to fullness. Be sincere about what you put into Niagara, it will only make us all a little bit greater.

DON'T WATCH OTHERS DO IT!!

The aim of all education is the enrichment of life. This is the ultimate goal upon which attention has been focused. The objectives of the Athletic Department are more definite and specific than this aim, and through them the ultimate goal is brought closer to realization.

The goals the Athletic Department sets for you are:

- 1) A knowledge of the values of athletics to the individual and society.
- 2) The ability to think as an individual and as a team member.
- 3) An appreciation of the values of group ideals.
- 4) An understanding and appreciation of what constitutes wholesome recreation and entertainment.
- 5) The desire to be successful and excel.
- 6) Self discipline, emotional maturity and self control.
- 7) Social competence.
- 8) Respect for the right of others and those in authority.

USE NIAGARA - IT WILL ENJOY YOU

Peter Rylander and Fred Bassi head-up the Athletic Department at Niagara. They not only supervise all sports activities but also coach most of the varsity teams.

Pete and Fred work in 3 areas: varsity, intramural, and recreation. First, in varsity sports, Niagara is a member of the Ontario Colleges Athletic Association incorporating colleges across Ontario and Quebec. Anyone who is interested in playing must be a full time student and have paid their activity fee. Varsity sports include: tennis, golf, badminton, ice hockey and volleyball, basketball and curling.

Secondly, intramural sports. These are run on a competitive basis with teams (form your own team) including floor hockey, basketball, badminton, ice hockey and volleyball. This year Peter and Fred would like to introduce co-ed softball, European Handball and touch football. Competition may be extended to include George Brown College and Mohawk College.

Thirdly is recreation. The main purpose here is to provide the student with opportunities in leisure and sport enjoyment. An athletic banquet held annually gives awards to the most valuable players in varsity action as well as overall intramural team winners.

Finally, go and talk to Pete and Fred over by the gym for more info, and don't forget your adidas, or call extension 267 or 266.

RECREATION

Looked in the mirror lately? Notice the sag on the left side and feel the ache on the right. You say you're limping because you strained your ankle picking up your car keys. And ya yawn every second word cause you only had 12 hours sleep last night. . .get up get dressed, get down to the gym and get those sneakers movin down that hardwood court. . .you say you're clothes don't fit the same as they used to, and it seems when you bend a certain way you keep hearing little tears. And you say on the first flight of stairs smoking that 2nd pack of cigarettes today you think its the french fries that are weighing you down. You say sports are fun to watch as you pull your back muscle picking up the next beer. .and you say friend, you're in perfect shape. . .relax and recreate. . .recreate your entire system and relax. Visit the gym in the Mackenzie Bldg.

PHOTOGRAPHY AND YEARBOOK

In the past few years, the Photography Club and the Yearbook have been two separate functions. The Photography Club was a group mainly interested in the basic techniques of black and white photography and the learning of camera and darkroom work for creative photographic purposes, as well as for personal satisfaction and photo fun. At the same time, the yearbook staff was another, although closely related unit that produced events and happenings of the college year for publication in a yearbook for the student body as a whole. This year, the two clubs are amalgamating into one so that the two aims can be fulfilled by one group of people. Not only will you be able to develop and print pictures of your friends and college events, but you'll see your photos published as well. It's a bargain. It's up to you to see that you get a decent yearbook published. Typists, layout people, photographers, business people, you're all needed. Bring your creative friends along. Call Guy Rapone at Ext. 323 for further information on how you can be part of the 1976 - 77 Yearbook.

BASKETBALL

You don't need to be 6'7" and an All-Canadian, just have a little court sense and a lot of will and determination. Try out for a spot on the team. Men's and ladies varsity practices are three times a week. The season starts in October and ends in March. See Peter Rylander in his office or call extension 267 if you are interested in playing basketball for Niagara College.

GOLF AND TENNIS

Offered early in September, it is best to see what is happening then or the season might be over by the time you get there. Golf is played off campus while outdoor tennis courts are available here. See Pete for golf and Fred for tennis.

HOCKEY

Our boys are tough and fast hockey players, and the more players we have like these, the more games we'll be closer to the championships. Practices are once a week, while the season lasts around November to March. Last year we had a good team. Help make this years team great. Try out by seeing Fred Bassi.

CKNC

Almost everywhere you walk on campus, you'll hear the sounds of Niagara's Radio Station C K N C. Run and produced by the radio course students at Niagara, you'll hear everything from weather to blues. If you'd like to hear a certain song, phone up and you just might hear it. Selling your car, place an ad with C K N C, it's free. Possibly the best places to relax and let the music sooth into your soul are the lounges found in all of the campus buildings. Food and music are great together too, head for the cafeteria, plenty of sound there. C K N C extension is 300.

NIAGARA NEWS

Niagara News is a student written newspaper produced by journalism students at Niagara College. After final copy and layout is done, Niagara News is used as a workshop for practical learning by Graphic students, who do the printing in the Black Walnut Bldg. Published twice monthly, Niagara News offers information on campus events, SAC, sports and club activities. Located in the Simcoe Building, 2nd floor, any info on campus life can be sent there for publication. Although submitted articles are limited to journalism students, Niagara students can submit editorials, and also letters to the Editor. Niagara News issues are available in all lounges and on stands located throughout the campus. Call extension 322 for more info.

CLOSED CIRCUIT TELEVISION

Niagara's closed circuit television airs College produced programs periodically throughout the year. Any special events that have been video-taped can be seen by contacting the Radio-T.V. technicians at extension 302.

CLUBS

Aside from sports activities, Niagara offers over a dozen clubs and societies that each student can get into. All of these clubs are subsidized and sponsored by the Student Council and aside from specific clubs (Hort., Theatre Arts - where course students are mainly members), any Niagara student may join and get things happening. This year, many executive positions are open such as Ski Club, Yearbook, Photography etc., and they all need students to fill them. Get out and see what you can do. Whether you're interests lie with film festivals, skiing in Quebec or with publicizing basketball games and pub nights, there should be something for you. And if, by any far-fetched vague chance, you don't find anything to suit your interests, see Eugene Lampman in the SAC trailer, about starting a new club - Eugene is there to help you. Meet people, have fun, learn different things. Check it out. Ext. 323.

RESOURCE CENTRE

Also located on the Main Campus. In olden days this place was better known as the Library. 20th century Technology and Communications has made the Resource Centre a place to soak in stuff that you don't already know via extensive selections of albums, audio-visual media, tapes, cassettes, films (35 mm., 8 mm.m and super 8 mm.) books, periodicals, and the daily newspapers. Individual cubicles are available with typewriters for study. Peaceful, serene, and quiet, and lotsa room. Located in the Tecumseh Centre (off the Simcoe Bldg.), from 8:30 a.m. to 9:30 p.m.

CAFETERIA

Open 8:30 to 4:30 p.m. Hot meals served from 11:30 to 2:30 in the afternoon. (the meals are even better this year) Hamburgers, french fries, homemade soup, and delicious desserts and pastries are served every day. Cold foods in the machines, as well, pop, coffee, sweet stuff and cigarettes. C K N C broadcasts here. Located in the Black Walnut Building. Round tables are provided for students who wish to play cards.

PARKING

Student parking located in specific area, see map. If illegally parked and found, the ticket will cost you 3 bucks. The ticket man (by-law officer) gives tickets out with sweet mercy. He gives them out at basketball games (Saturdays) and at Pub Nites (in the evening, this guy never rests), so park only in designated areas. Also do not park in maintenance vehicle areas, in front of the cafeteria, or on the white line.

BOOKSTORE

Main campus bookstore. Books and supplies are available for all schools and courses, from drafting paper to paper backs to gym clothes. Open from 8:30 a.m. to 4:30 p.m. Monday to Friday during regular college terms. College paraphenalia also available: mugs, ashtrays, decals, charms, t-shirts, sweatsuits and jackets. Call ext. 317.

COUNSELLING

On the main campus. Hours are 8:30 a.m. to 4:30 p.m. Tapes, video-tapes, bio-feedback, equipment, 5 counsellors on hand to assist in course hangups, personal difficulties, learning study skill techniques, or if you're just browsing, stop in for a visit. Call ext. 211 for more info.

\$TUDENT AWARDS\$

Also on the main campus and located in the same area as counselling. Hours are 8:30 a.m. to 4:30 p.m. If you are in need of financial assistance see Mrs. Patterson regarding both the Government Loans and the College Student Loan Fund.

PLACEMENT

Ken Anderson's office is also located in the counselling area. Hours are 8:30 a.m. to 4:30 p.m. If a job is what you want, either full-time or part-time see your helpful placement officer.

BITS AND PIECES

Lockers:

Almost every hallway in all buildings on campus. Buy locks at the bookstore (inexpensive) and claim a locker.

Pinball Machines:

For pleasure and entertainment. Located in the cafeteria, and in the lounge in Mackenzie. Portion of the proceeds go to SAC - so enjoy yourself.

Lounges:

Tired, sleepy, or just relaxing, lounges with aired C K N C music are located in all campus buildings. (Black Walnut exempt). Good meeting places. Also, alongside most lounges are coffee, pop, and donut machines for a quick snack.

Health Centre:

Doctor Alexander is available each Wednesday morning for students. Call extension 408. College nurse, Mrs. M. Kerr is here every college day from 9:00 to 4:30 p.m. for cuts, bruises, and stomach aches. Call extension 215. See the health centre for information on your OHIP insurance or you could get stuck with crazy hospital bills.

Buses:

Welland Transit operates Monday through Saturday and provides transit service throughout the City of Welland. Student fare is 15¢ and the exact cash is required. Contact the main office for further info on the route schedule and a route map.

Car Pool:

Do you need a ride to and from school? Do you own a car that drives from St. Catharines, Niagara Falls, or Port Colborne with no passengers everyday of the school week? Contact Mr. Aboud's office (ext. 279) for further info on how to get a ride to school.
